when your legs don't work like they used to before And I can't sweep you off of your feet will your mouth still remember the taste of my love will
your eyes still smile from your cheeks And darling I will be loving you till we're seventy And baby my heart could still fall as hard at twenty three
And I'm thinking 'bout how people fall in love in mysterious ways Maybe just the touch of a hand Well me I fall in love with you every single day
And I just wanna tell you I am So honey now Take me into your loving arms Kiss me under the light of a thousand stars Place your head on my
beating heart I'm thinking out loud That maybe we found love right where we are When my hairs all but gone and my memory fades And the crowds
don't remember my name When my hands don't play the strings the same way I know you will still love me the same 'Cause honey your soul could
never grow old it's evergreen And baby your smile is forever in my heart and memory I'm thinkin' 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan Well I'll just keep on making the same mistakes Hoping that you'll understand But baby now Take me into your loving
arms Kiss me under the light of a thousand stars Place your head on my beating heart Thinking out loud That maybe we found love right where we
are So baby now Take me into your loving arms Kiss me under the light of a thousand stars Oh darling place your head on my beating heart I'm
thinking out loud That maybe we found love right where we are Oh baby we found love right where we are And we found love right where we are -Ed
