

Don't you worry there my honey We might not have any money But we've got our love to pay the bills Maybe I think you're cute and funny Maybe I want to do what bunnies do with you if you know what I mean Oh let's get rich and buy our parents' homes in the south of France Let's get rich and give everybody nice sweaters and teach them how to dance Let's get rich and build a house on a mountain making everybody look like ants From way up there you and I you and I Well you might be a bit confused and you might be a little bruised But baby how we spoon like no one else So I will help you read those books If you will soothe my worried looks And we will put the lonesome on the shelf Oh let's get rich and buy our parents' homes in the south of France Let's get rich and give everybody nice sweaters and teach them how to dance Let's get rich and build a house on a mountain making everybody look like ants From way up there you and I you and I Oh let's get rich and buy our parents' homes in the south of France Let's get rich and give everybody nice sweaters and teach them how to dance Let's get rich and build a house on a mountain making everybody look like ants From way up there you and I you and I Ingrid Michaelson
